

## City of Aberdeen, Parks & Recreation

**Doug Farmer, Recreation Supervisor**

---

November 5, 2012

Dear Slowpitch Teams,

This letter is to inform you that our adult slowpitch league will be joining the Amateur Softball Association (ASA). We have been part of United States Slo-pitch Softball Association (USSSA) in the past few years.

Although we will be playing under the ASA umbrella, teams will be allowed to use bats that are legal in 2013 in either ASA or USSSA. Please note that there are some bats that were legal in USSSA in the past that will no longer be legal by their standards. Be sure you check the most up-to-date list in both organizations.

Another change, all bases will be set at 70' this year. The bases have been 65' for the past several years. Both ASA and USSSA have gone to 70' bases.

If you have any questions, give me a call at 537-3230 or email at [dfarmer@aberdeenwa.gov](mailto:dfarmer@aberdeenwa.gov).
